Re: *Dobson Communications Corporation*
Petition for Waiver and Extension of Section 20.19(d)(2) of the
Commission's Rules – Notification of Compliance and
Modification of Requested Relief
WT Docket No. 01-309

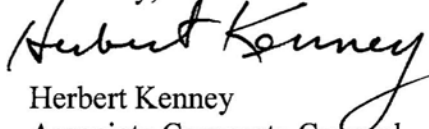

Dear Ms. Dortch:

On September 18, 2006, Dobson Communications Corporation ("Dobson"), on behalf of its wireless subsidiaries, filed a petition requesting a limited waiver of Section 20.19(d)(2) of the Commission's rules, 47 C.F.R. § 20.19(d)(2), and an extension for not more than three months of the September 18, 2006 deadline ("the T-coil deadline"). By this letter, Dobson hereby notifies the Commission that as of October 27, 2006, Dobson's wireless subsidiaries are offering two handset models that meet an ANSI C63.19 standard T-Coil rating of T3 or higher.

Specifically, as of October 17, 2006, Dobson was offering the Motorola RAZR V3i (FCC ID: IHDT56GW1) for sale, and in-store testing in each retail store owned or operated by Dobson as required by the Commission's rules. Further, as of October 27, 2006, Dobson was offering the LG C2000 (FCC ID: BEJC2000) for sale, and in-store testing in each retail store owned or operated by Dobson as required by the Commission's rules. Accordingly, Dobson only requires a limited waiver of Section 20.19(d)(2) of the Commission's rules, 47 C.F.R. § 20.19(d)(2), and an extension of the T-coil deadline up to and including October 27, 2006, and by this letter amends its petition accordingly.

Should you have any questions regarding this matter, please contact Dobson's Washington, D.C. counsel, Lawrence J. Movshin, at Wilkinson Barker Knauer, LLP, 2300 N Street, N.W., Suite 700, Washington, DC 20037, telephone number (202) 783-4141.

Sincerely,

A handwritten signature in black ink that reads "Herbert Kenney". The signature is fluid and cursive, with the first name "Herbert" and last name "Kenney" clearly distinguishable.
